

Let's celebrate together the United Nations' 80th Birthday

CALL TO UN PARTNERS AND STAKEHOLDERS

In 2025, the United Nations marks its 80th anniversary. UN Day, observed annually on 24 October, commemorates the entry into force of the UN Charter in 1945 - establishing the UN as a global platform for peace, cooperation, and human rights.

To celebrate this milestone, the UN in Mongolia, in partnership with the Ministry of Foreign Affairs, will host **UN Week from 20 - 24 October**, featuring events that reflect on eight decades of global progress and inspire future commitment.

Mongolia joined the UN on 27 October 1961 as its 101st member. Since then, the UN has been a trusted partner in Mongolia's development journey, supporting peace, diplomacy, and prosperity.

The **"UN's 80th Birthday" Campaign** invites partners and friends in Mongolia to show solidarity through symbolic gestures that reflect support for the UN's values. UN Mongolia encourages all partners to promote peace, sustainable development, and human rights, and to visually express support for the UN's mission and its 60+ year partnership with Mongolia.

Proposed commemorative events:

1. Congratulatory Messages and Social Media Campaigns:

Partners are invited to share congratulatory messages, reflections, and creative expressions of appreciation through their digital platforms and media channels. Highlight the impact of your collaboration with the UN, the support received, and the positive outcomes achieved through our shared efforts over the past decades.

2. Ulaanbaatar Turns UN Blue - Illumination of the buildings, monuments, bridges and statues with blue

Partners are encouraged to join the #UlaanbaatarTurnsBlue campaign - a symbolic celebration by illuminating office buildings, iconic towers, statues, and monuments in blue on UN Day - October 24. Partners may choose to simply illuminate their buildings in blue or enhance the gesture by incorporating the UN80 logo in digital displays. Public spaces in Ulaanbaatar-such as monuments, bridges, and statues-can also be lit up in blue to visually express solidarity with the UN and its values.

3. Organize a special event to celebrate the UN80 anniversary

Other suggested activities include hosting commemorative ceremonies, showcasing joint initiatives, engaging youth through creative contests, launching digital campaigns, and organizing talks and dialogue on UN Day (24 October).

Further information:

Partners are encouraged to share the outcomes of their commemorative events on their social media platforms, tagging the UN in Mongolia and the Ministry of Foreign Affairs on social media platforms:
